

# 2" Overfill Limiter

AOFILL.P

AOFILL.M

- Suitable with clean diesel, biodiesel B30 or heating oil.
- For plastic tanks. Fits in place of the 2" BSPP fill nipple (AOFILL.P).
- For steel tanks. Screws into a 2" BSPP full socket (AOFILL.M).
- Helps prevent above ground storage tanks being overfilled.
- Aluminium body. Only 150mm of tank space lost.
- Each valve is tested to EN 13%: 2004

Stk Code	Description	Min Flow	Max Flow	Min Pressure	Max Pressure
AOFILL.P	Plastic Tank 2" Limiter	23L/min	580L/min	2.17psi (0.15 bar)	116psi (8 bar)
AOFILL.M	Steel Tank 2" Limiter	23L/min	580L/min	2.17psi (0.15 bar)	116psi (8 bar)
